

INSERT FOR PARKETT 67

2003

I N S E R T

M A R C E L

D Z A M A

- the new fall fashion -

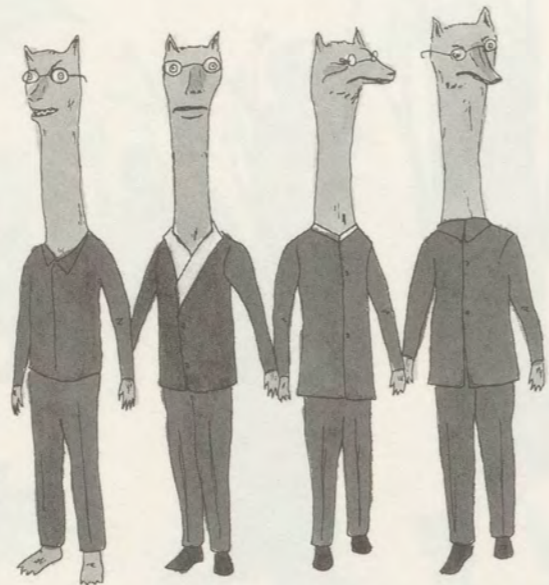

- the four seasons of trees -

— a minute with the middle class —

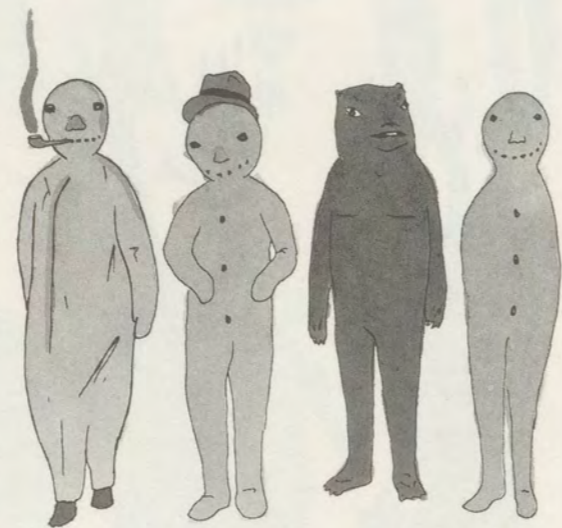

We never attached importance
to small matters

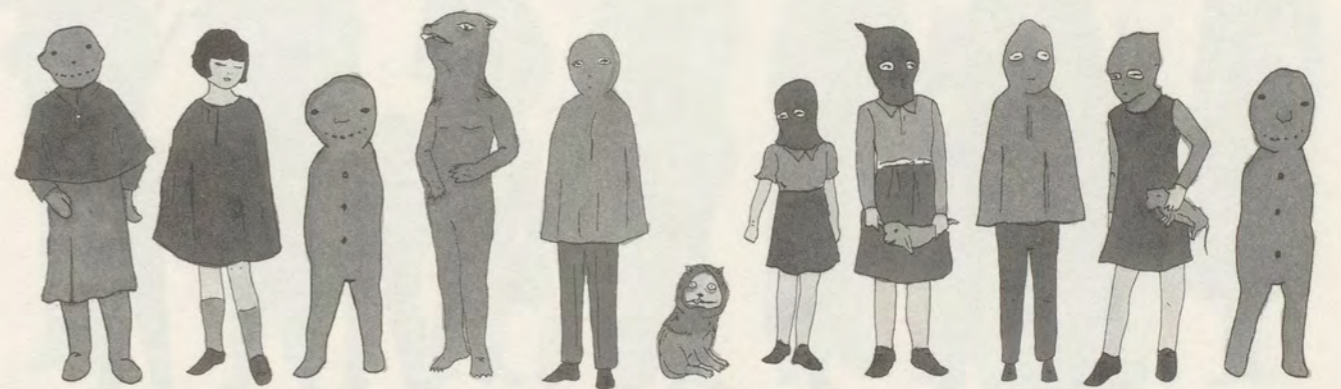

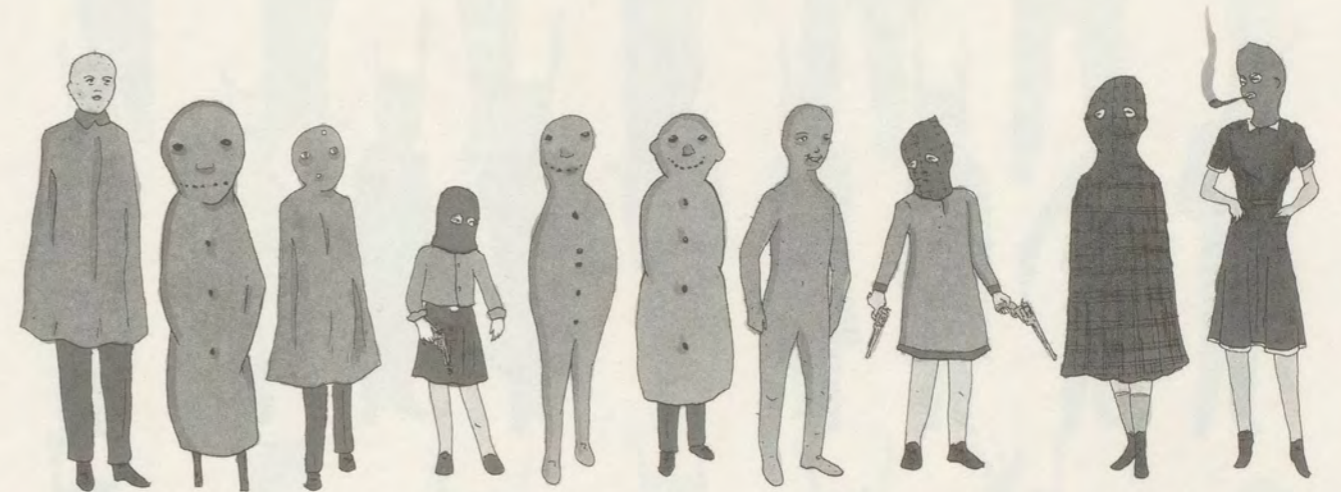

The old grievances had
furnished them with bitter thoughts

we have a lack of
understanding and purpose

with the prospect of
work we moved to Winnipeg

the most remarkable new talent
